This letter certifies that I have today completed an audit of the USMA Class of 1957 financial accounts that are controlled and operated by the class Treasurer (Walt Rabe). Specifically, I have audited these two accounts, for the periods listed, and found them to be accurate, with no discrepancies of any sort:

1. **USMA 1957 Reunion Fund, Acct #00001634302125**, Capital One Bank, for the period Oct 1, 2013 – September 30, 2014 with a balance on Sept 30, 2014 of \$2557.81.
2. **Class of 1957 Admin Fund**, held and operated for the class by the Association of Graduates USMA, For the period Oct 1, 2013 – August 31, 2014. The balance at the end of August 2014 was \$ -1478.82 (\$22,077.09 in assets, with liabilities of \$23,555.91).

For Your information, the Class of 1957 has given funds to the Association of Graduates to own, operate, and control to maintain the class gifts. That fund is known as the Gift Fund. Records were available which showed the expenditures during the period Sept 1, 2013 – Aug 31, 2014 were \$12,000 to the USMA and the balance on hand on Aug 31, 2014 was \$126,389.41.

I find these two accounts to be in perfect order. Please contact me if you have any questions.
