This letter certifies that I have today completed an audit of the USMA Class of 1957 financial accounts that are controlled and operated by the class Treasurer (Walt Rabe). Specifically, I have audited these two accounts, for the periods listed, and found them to be accurate, with no discrepancies of concern. These accounts are:

1. **USMA 1957 Reunion Fund, Acct #00001634302125**, Capital One Bank, for the period Oct 1, 2014 – November 30, 2015 with a balance on November 30, 2015 of \$3,086.82.
2. **Class of 1957 Admin Fund**, held and operated for the class by the Association of Graduates USMA. Documentation for the audit was provided for the period Dec 31, 2014 - Oct 31, 2015.. The balance at the end of October 2015 was \$ - 33.83 (\$21,135.74 in assets, with liabilities of \$21,169.57). The Alumni Activities Expense account is the portion of interest to this auditor. It shows transfer of \$1000 to the Reunion Fund, which were properly accounted for in the Capital One Bank records. In addition, the Class of 1957 paid Elm Press \$128.75 on November 1, 2015 for a Class 1957 Mailing. No invoices or bills were available to substantiate this payment but it is assumed they are available at the Assn. of Graduates.

For Your information, the Class of 1957 has given funds to the Association of Graduates to own, operate, and control to maintain the class gifts. That fund is known as the Gift Fund. No records of the Gift Fund were provided to the auditor.

I find these two accounts to be in order. Please contact me if you have any questions.
